Subtitle D—Other Matters

SEC. 2861. DEFENSE COMMUNITY INFRASTRUCTURE PILOT PROGRAM.

Section 2391 of title 10, United States Code, is amended—

(1) by redesignating subsections (d) and (e) as subsections (e) and (f), respectively;

(2) by inserting after subsection (c) the following new subsection:

“(d) DEFENSE COMMUNITY INFRASTRUCTURE PILOT PROGRAM.—

(1) The Secretary of Defense may make grants, conclude cooperative agreements, and supplement funds available under Federal programs administered by agencies other than the Department of Defense to assist State and local governments to address deficiencies in community infrastructure supportive of a military installation,

if the Secretary determines that such assistance will enhance the military value, resilience, or military family quality of life at such military installation.

“(2) The Secretary shall establish criteria for the selection of community infrastructure projects to receive assistance under paragraph (1). The criteria shall include a requirement that the State or local government agree to contribute not less than 30 percent of the funding for the community infrastructure project, unless the community infrastructure project is located in a rural area, or for reasons related to national security, in which case the Secretary may waive the requirement for a State or local government contribution.

“(3) Amounts appropriated or otherwise made available for assistance under paragraph (1) may remain available until expended.

“(4) The authority under this subsection shall expire upon the expiration of the 10-year period which begins on the date of the enactment of the National Defense Authorization Act for Fiscal Year 2019.”; and

(3) in subsection (e), as redesignated by paragraph (1), by adding at the end the following new paragraphs:

“(4) The term ‘community infrastructure’ means any transportation project; school, hospital, police, fire, emergency response, or other community support facility; or water, wastewater, telecommunications, electric, gas, or other utility infrastructure project that is located off of a military installation and owned by a State or local government.

“(5) The term ‘rural area’ means a city, town, or unincorporated area that has a population of not more than 50,000 inhabitants.”.

SEC. 2862. STRATEGIC PLAN TO IMPROVE CAPABILITIES OF DEPARTMENT OF DEFENSE TRAINING RANGES AND INSTALLATIONS.

10 USC 113 note.

(a) **PLAN REQUIRED.**—The Secretary of Defense shall develop and implement a comprehensive strategic plan to identify and address deficits in the capabilities of Department of Defense training ranges to support current and anticipated readiness requirements to execute the National Defense Strategy (NDS).

(b) **EVALUATION.**—As part of the preparation of the strategic plan, the Secretary shall conduct an evaluation of the following:

(1) The adequacy of current training range resources to include the ability to train against near-peer or peer threats in a realistic 5th Generation environment.

(2) The adequacy of current training enablers to meet current and anticipated demands of the Armed Forces.

(c) **ELEMENTS.**—The strategic plan shall include the following:

(1) An integrated priority list of location-specific proposals and/or infrastructure project priorities, with associated Department of Defense Form 1391 documentation, required to both address any limitations or constraints on current Department resources, including any climatically induced impacts or shortfalls, and achieve full spectrum training (integrating virtual and constructive entities into live training) against a more technologically advanced peer adversary.

(2) Goals and milestones for tracking actions under the plan and measuring progress in carrying out such actions.
